This is a commentary on the above linked article titled: Rochester City School District Can't Hire Cooks Soon Enough. I read this article and noted that regional killer Adam Urbanski was and is still the RCSD Rochester Teachers Association union president, during the above noted RCSD student poisoning period. Knowing such, I was petrified and concerned because his hatred for inner city school students was showing via this poisoning.

Killer Adam Urbanski has been and is criminally still, the non-validated, unauthenticated, and no vote verified Rochester Teachers Association Union President for over 30 years, despite disgruntled teachers with his dictatorship, bigotry, and backwardness. He is a warlock, who stole, better yet manipulated, and criminally usurped the RTA union presidency for over 30 years. He used his satanic oath to sell his soul to lucifer for wealth and corruption power. As such, he targeted children and their innocent blood. Also, he criminally pledged the lives of RCSD past and present, students and staff, to meet his massive satanic human sacrifice killing requirements, in exchange for his personal greed for wealth and corruption power. The below is a soft way to summarize his inflicted occultism.

I worked in the RCSD for about 10 years. I noted that Killer Urbanski had exterminated most experienced educators. His quest for corruption power over the RCSD was not normal. Hence, when reading, I knew the above linked RCSD student poisoning was a killer Adam Urbanski programming. As such, I read the story and found that killer Adam Urbanski removed all RCSD qualified food workers and brought in food poison money hungry criminals via his homemade, unauthorized, necrophilia associated, RCSD Human Capital office. Additionally, Killer Urbanski has a recruitment company where he fishes the internet seeking money hungry criminals he can pay and put in the RCSD for his nefarious education and food programming's. The below is his conflict-of-interest criminal money hungry recruitment company I define as his:

18 U.S. CODE § 2389 –RECRUITING FOR SERVICE AGAINST THE UNITED STATES agency.

https://themarketingmentors.com/about/

There are three issues here. One the RCSD students were poisoned under killer Adam Urbanski's extermination of almost all RCSD qualified and experienced educators. Two, while setting up the RCSD for being the only and most experienced educator in the district, he criminally created and planted his no authority body broker and necromania Human Capital office. This unauthorized RCSD Human Capital concoction criminally usurped all RCSD power over hiring, firing, pension, and employee medical and dental records. As noted above, he emphasized that the priority of his Human Capital concoction office was for forms and documents. The documents that fester and control in Human Capital offices are BODY DONOR CONSENT FORMS. The only one entrenched in killing, death, dying, funerals, cremations, memorials, corpses, human capital fronts, autopsies, human remains, human capital investment, live organ sales investments, human trafficking, is killer Adam Urbanski. See below.

Human Capital offices are created for funeral homes, body brokers, body chop shop, whole body and live organ investment and sales. Human Capital offices are not authorized to be in schools. Hence, schools that do not participate in necromaniac Adam Urbanski's satanic cult's human trafficking, human sacrifice killing, and live organ sales, have human resources and personnel offices to meet their hiring, firing, pension, medical and dental staff and student needs.

The third issue is his above noted, conflict of interest, money hungry criminal employee recruitment service, creating a public safety threat for RCSD students and staff. He solicits money hungry people off the internet and created an unauthorized, criminal entity in the RCSD with personnel power to slip in criminals. If his RCSD Human Capital Office was a legitimate personnel office it would be called personnel or human resources like all normal, not necrophilia public schools. Keeping the above facts in mind, I do not believe the RCSD students were poisoned accidentally. Killer Adam Urbanski, with his RCSD Human Capital front, he gets to plant his eugenic/satanic money hungry school food poisoners in the RCSD with no supervision because he created the criminal RCSD Human Capital entity.

In the article, it shows that killer Urbanski programmed, paid off and removed the entire RCSD qualified food staff under the disguise of a phenomenon. Immediately thereafter he programmed the poisoning of the RCSD children with his below documented molded sandwiches. That was his student poisoning experimentation phase. Since then, with no investigations and no penalty enforcement, God knows, he has perfected the criminal poison student and induce hospitalize hate crimes, to a hospital enjoined,

RCSD student human trafficking and blood draining, satanic wealth plan, using secrecy cursed money and paid corruption power. See the reference section.

How many children have been poisoned by his RCSD unauthorized Human Capital hand-picked food poisoners? How many children have been induced hospitalized behind his criminal senile RCSD programmed student poisonings, and his paid for criminal University of Rochester hospital protocol, label dead, while alive fix up for the funeral, to be later removed from the grave, brought to one of his many, unregulated body broker Human Capital body chop shops, where his label dead, while alive are raped, human trafficked, blood drained, and or tortured to death. This is why it is a conflict of interest to have a documented necromaniac with his Human Capital office in the RCSD, next to innocent blood children. It is particularly dangerous, while killer Urbanski, has by criminal design, the most school management experience and the longest ever, over 30 years, most bigoted and useless, teacher union president title.

Please read about these Killer Adam Urbanski, handpicked, and hired poisonous food workers, food poisoning phenomenon inflicted on the RCSD students as his food poisoning phase 1 experiment.

https://www.roccitymag.com/news-opinion/rochester-city-school-district-cant-hire-cooks-enough-12907707

For purposes of clarity, let me explain why killer Adam Urbanski is referred to as such. I worked in the Rochester City School District over 30 years ago and killer Adam Urbanski was the criminal stolen vote union president for over 10 years, while I was there. He had too much corrupted power and control over the school district then and he still does. He is 78 years old now and has no legitimate reason to be in the RCSD near children he despise. Yet, he is still controlling the RCSD personnel and hiring no experience educators so his malicious and deadly education programming can criminally continue to reign.

Hence, I am writing about his above linked, RCSD student poisonings, as a wakeup call, for all to work together, to get 78-year-old, killer Adam Urbanski, his poisonings, and his necromaniac, unwarranted, and criminal RCSD Human Capital front out of the RCSD expeditiously.

I remember a RCSD competent and experienced superintendent named Kay McClendon. Killer Adam Urbanski paid for a front-page article in the Rochester newspaper and lied and said the Rochester Teachers Association voted her incompetent. She was experienced, qualified, and competent. He slandered her maliciously because he resents experienced and qualified educators and particularly educators of color. She was criminally and enviously exterminated.

As a new teacher at that time, that experience was profound. I thereafter met another educator of color, with a PHD. She had wanted to excel in the RCSD, and she was victimized, induced hospitalized, by killer Adam Urbanski's attached criminal, conflict of interest, University of Rochester Medical Center, induce sleep deprivation, trauma, and nervous breakdown, disguised as sleep research. I did not know what I know now. I knew Adam Urbanski was exterminating experienced and qualified educators of color disproportionately via slander and his induce sleep deprivation nervous breakdowns.

Please see the below killer Adam Urbanski, conflict of interest, University of Rochester Medical Center induce sleep deprivation and induce nervous breakdown programming disguised as sleep research. I found out about this, after determining to find out what happened to me before I resigned. I too was assaulted with his deadly induce sleep deprivation disguised as sleep research, I never authorized.

While working there, I was on the RCSD Charlotte Middle School, School Based Planning Team. I requested an investigation into the discriminatory impact of the RCSD Major Achievement Program. This honoree program was not diverse, in a majority diverse school district. There were no African descendent students in the MAP program and the school district was majority people of color. An investigation showed the criteria for entrance into the Major Achievement Program was not based on student test scores or abilities. The entrance criteria, by racist killer Adam Urbanski design, was teacher judgment. In the 1990's killer Adam Urbanski criminally controlled and infested racism in teacher hiring and still does.

He made sure there were very few teachers that look like most students in the RCSD. He made sure they were 100 percent not experienced, just like he does with all the RCSD superintendents hired. The repeated hiring of no experience teachers and superintendents is killer Adam Urbanski's guarantee RCSD student failure by his design because he is really the superintendent, who put everything in place, including the money. The only thing positive a no experience superintendent can do to outsmart killer Adam Urbanski, is buy several books on school superintendent duties, responsibilities, money allocation and personnel power, so one is clear and not dependent on killer Urbanski's over 30 years of deliberate school failure programming and most intelligent children poisonings and induce hospitalizations.

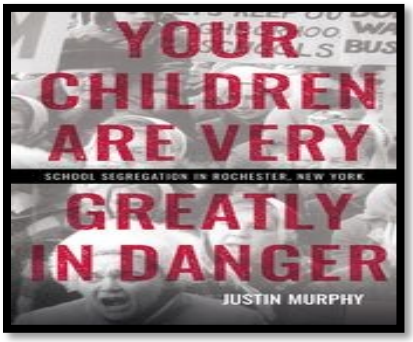
He festers off no experience superintendents and teachers because he can do anything he wants, including poison and induce hospitalize students on a regular basis, and they will have no clue. In fact, the above linked RCSD student food poisoning happened right under an inexperienced superintendent, who meant well, but simply did not have the experience and expertise to investigate, prosecute, clean up, and shut down the regional killer Adam Urbanski programmed poisoning experiment, inflicted on RCSD students. This was needed so it would not happen again. Instead, this killer poison program advanced to his Human Capital necromaniac poison specialist hiring and induce hospitalization programming.

Thirty years later, at 78 years old, with a history of his failure with student tests cores and no interest in the well-being of students, killer Urbanski is still criminally planted as RTA Union president attached to RCSD children. He is now putting in criminals, as teachers, to continue his institutional racism, targeting, destroying, and poisoning students. This is being done because he was not prosecuted for his criminal usurpations over food personnel, that poisoned RCSD students, using his homemade, entire qualified, food staff disappearance, when he bought the qualified RCSD food staff out.

He does such with qualified and experienced educators. He brought in his racist, money hungry, not qualified food poisoners, for criminally poisoning RCSD students previously. He administered criminal senile, teacher judgment, unreasonable hate crime programs, that effectuated repeated and deliberate discriminatory impacts, that injured students. He should have been investigated and prosecuted long time ago, but the repeated hiring of inexperienced RCSD educators and superintendents, blocked such. Killer Urbanski's bigoted leadership in the RCSD, is evidenced in his repeated hiring of no experience educators, particularly educators of color. He is petrified of qualified, experienced, and prayed up leadership, black or white.

His repeated, up to today, organized fraud hiring of another RCSD superintendent half his age, with no actual superintendent experience, while he has the most experience in the entire district, then anyone else, exemplifies he wants to be someone's daddy, not equal education partner. This is what satanists do repeatedly, program leadership half their age with no experience for the specific purpose of implementing one of their many massive human sacrifice killing projects, they need for their satanic money and power quest.

In the below link you will see a programmed and exposed NYC induced nuclear attack for label dead, while alive, satanic ritual prey creations. See how the satanists literally planned this murder program at the expense of a 39-year-old black mayor. He was so happy to be there, he probably hated me. Yet, the satanists had a big celebration for the satanists container secret. It was satanists planning another massive killing plot, at the targeted 39-year-old Mayor's leadership. The satanists seek out no experience people to kill massively under their leadership. It is a form of envious, satanic, and deadly exploitation. Please see the age comparisons and the big-time container everyone celebrated and not once said what the container was for at:
https://archive.org/details/final-november-7-2022-nyc-planned-nuclear-attack-for-induce-regional-killer-c/COR%20NOVEMBER%208%2C%202022%20NYC%20PLANNED%20NUCLEAR%20ATTACK%20FOR%20INDUCE%20REGIONAL%20KILLER%20C/page/8/mode/1up



Your Children Are Very Greatly in Danger: School Segregation in Rochester, New York
https://academic.oup.com/cornell-scholarship-online/book/45162

The satanist are following some type of demonology, eugenics, induced oppression, slavery, and envy book. They forfeited their God given skills, so everything they do has to be wicked and from their witchcraft and demonology book. Hence, I urge all, until this killer is removed, keep a spiritual warfare book next to you and every aspect of RCSD management compare such with what the Bible says, if it is in contravention to God's laws, get rid of it, or face killer Urbanski plotted demonic and temptation wicked consequences.

With respect to, the MAP program investigation, it was revealed that killer Adam Urbanski's teacher racist hiring and teacher bias judgment, was what kept the MAP program with a discriminatory impact, that harmed students. The School Based Management team voted to change the MAP program entrance criteria to test scores, like it should have been all along.

Thereafter, I became an Adam Urbanski attempted murder victim. He inflicted his noted above deadly sleep deprivation, induce trauma and tried to have me induced hospitalized and killed. But God! After fighting for a fair MAP program, he would program someone in my house to turn clocks upside down and move things around, coupled with his induce sleep deprivation trauma.

RTA Union President Killer Adam Urbanski wanted an induce hospitalization nervous breakdown, with his University of Rochester Medical Center arranged, organized, waiting and ready infectious disease induce cancer injections like he has done to so many other, healthy, innocent, experienced, and human rights advocate educators. When his induce sleep deprivation and trauma did not affect his programmed induce nervous breakdown hospitalization with his infectious disease paid for drug dealing injections, he paid someone to follow me to the movies one night. The person poisoned me. He put some LSD in my soda. I hallucinated but God's grace and mercy intervened, and I got home. I knew someone was trying to kill me and the timing was right around the time I sought to correct killer Adam Urbanski's, by racist design, discriminatory impact RCSD MAP program.

An associate saw what was done to me and called my family to come to Rochester to get me, while I was alive. I was one step from dead due to killer Adam Urbanski's attempted murder via his plotted induce sleep deprivation hospitalization set up. I resigned and never looked back. I did investigate what happened to me when I got downstate. The spirit of the Most-High God told me to put killer Adam Urbanski's name in the University of Rochester Medical Center search engine and BINGO, there was the induced sleep deprivation that almost killed me. It was listed as killer Adam Urbanski sleep research. Thereafter, I put all of the satanists names I knew at that time in the University of Rochester Medical Center Search engine and every satanist and regional killer was working out of the infectious disease department of the U of R Medical Centers. It was unbelievable. I told God I did not want this assignment. I knew I just found a double life, conflict of interest, satanic killing cult.

In summary, Regional Killer Boyden Gray, was in the University of Rochester Medical Center search engine results as the biggest infectious disease drug dealer from U of R Medical Center to WHO. He was an alleged lawyer who I fought and reported his scientific obstructions tooth and nail for over 20 years. Finally, I sought the death penalty for him for his massive assaults on children and for being the master conspirator in harmonizing/infesting the African region with killer Adam Urbanski's paid for University of Rochester Medical Center created deadly pathogens. Please see pages 37-41, emphasis page 40 at: https://archive.org/details/final-may-24-j-2024-regional-killer-adam-urbanski-puts-rcsd-killing-details-in-p/page/39/mode/1up

Regional Killer Boyden Gray, after seeking the death penalty for his documented scientific obstructions, he allegedly died. However, his crimes escalated toward me, because it was killer Adam Urbanski the whole time using his University of Rochester Medical School two other regional killers, Boyden Gray and Jonathan Lippman, the NYS Chief Judge, to terrorize me, because of God's rescue.

Jonathan Lippman, the NYS Chief Judge he was in the University of Rochester Medical Center search engine results under children and cancer research. These were the 3 major satanists who were stalking, terrorizing, income backlisting and trying to have me killed in NYC. But God!

Consequently, despite being satanically attacked and inflicted with repeated attempted murders, by the above named satanists, in the last 30 years, I excelled in education. However, I was always terrorized when traveling tenure and pension time came. Killer Urbanski stalked me to every job and paid lawyers and NYS crime victim agencies to not help stop the crimes.

Killer Urbanski sought revenge for God's recue of me and paid criminals in law departments in over 10 districts and colleges to assault my God given right to earn income. One district he paid top dollar to attempt to kill me and killer Adam Urbanski's paid for attempted murder is documented in the settlement. I had to sue pro se because he stalked me to every lawyer and paid all lawyers I went to, to not help me or my students, who killer Urbanski inflicted hate crimes on. But God! I know first-hand and can testify under the laws of the USA, that Killer Adam Urbanski has no conscience and no regards for children. As such, he needs to be removed from all affiliation with RCSD students and the RTA. Please see on the link below the attempted murder charge on the Hempstead Public Schools settlement at page 15 and see pages 16-26 for some, not all of the commendations I received in the midst of killer Urbanski's hate crime payments at: https://document.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/4056790.pdf

Despite killer Adam Urbanski's multiple inflicted poisonings on me, multiple attempted murders, stalking, conspiracy against rights, and his hate crime administrations, inflicted on me repeatedly, I earned exemplary education commendations from the NY Education Department, parents, community members, colleges, educators, and students. Killer Adam Urbanski is an envious, God given skills sold, killing demon. He must not be near children anymore.

What he has done to me and my family, I will make sure he does not do to anyone else silently. He is a criminal senile killer. He induced hospitalized, programmed his prepaid hospital protocol label dead, while alive, on my healthy sister, my father, and my mother. He programmed a violent and malicious attempted murder of my nephew, after he killed his mother. But God!

There is no reason for his unauthorized RCSD necrophilia Human Capital kill program office, other than, it is for his programmed RCSD student and staff, induce hospitalize, label dead, while alive human trafficking, human sacrifice programming, human capital whole body investments, live organ sales, infectious disease drug selling, and killer Urbanski's counterfeit law body donor signature gathering.

Up to today, necrophiliac and killer, Adam Urbanski, stalks me with voyeurism in the gym, in my home and more. I am a seasoned educator. God covers me daily. Can you imagine what he is doing to children in his perversion? Regional Killer Adam Urbanski is not a normal person. He is a satanic creation seeking power, wealth, and control, he could never earn on merit. He festers off conspiracy to murder criminal administrations. 18 U.S. Code § 1117, conspiracy to murder is the purpose of his RCSD unauthorized necrophilia Human Capital concoction. He earned the death penalty and in God's time he will be arrested and face the death penalty for his programmed poisonings, induced hospitalizations, infectious disease harmonization's and massacres, targeting children, human trafficking, blood draining, infectious disease programmed sterilization injections for students and adults, and his overall human sacrifice killing programming for his satanic contract for wealth and power he could never obtain on his own.

In summary, when I saw the above linked RCSD student poisoning article, I knew killer Adam Urbanski was the programmer. He was using the food poisoning to induce RCSD students in the hospital, particularly in the University of Rochester Medical Center hospitals and attachments. The RCSD children have been induced in such hospitals for killer Urbanski's prepaid hospital protocol label dead, while alive fix up for funerals, consistent with the below banner. The satanists paid hospitals for hospital protocol label dead, while alive induce breathlessness Covid victim tubulations. Please see on the below link this satanic, blood thirsty, cult's Covid, name aligned, induce breathlessness dental injection fraud, for repeated Covid mass murders at exhibit 4, and 6-9.

The criminal satanists, prepaid hospital, label dead, while alive hospital fix up for funerals, has been criminally perfected. After the satanists targets, are labeled dead, while alive hospital fixed up, they are funeralized and buried accordingly. Thereafter, killer Urbanski administers his grave usurpations/robbing's to get the children and adults live bodies back that he paid the hospital for the criminal set up of label dead while alive. See the below excerpt, where doctors discuss grave robbers consistent with killer Adam Urbanski's, criminal senile, necrophilia roles in human trafficking and human sacrifice programming. As part of his satanic pact for required killings for money, he is criminally profiting from the criminal sale of humans.

WE ARE SEEING SIMILAR PROBLEMS TO WHAT WE SAW WITH GRAVE-ROBBERS CENTURIES AGO," SHE SAID, REFERRING TO THE 19TH-CENTURY PRACTICE OF OBTAINING CADAVERS IN WAYS THAT VIOLATED THE DIGNITY OF THE DEAD. As a necromaniac, killer, and Rochester Teachers Association Union President Actor, Adam Urbanski, has criminal obsessions with body broker chop shops, Human Capital fronts, body investment/sales facades, funeral homes, cremation service frauds, burial sites, cemeteries, autopsies, and memorials. His morbid preoccupation with corpses and whole-body donation consent form unconscionable contracted signature gathering, is exemplified in his criminal creation of the RCSD unauthorized Human Capital body brokerage office.

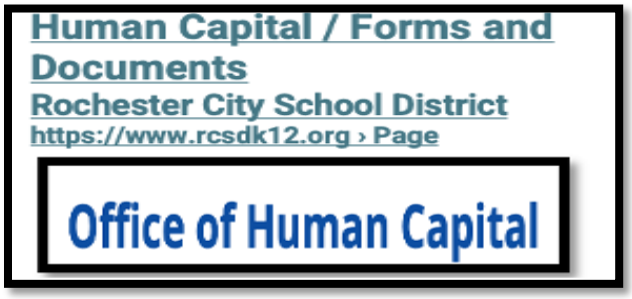
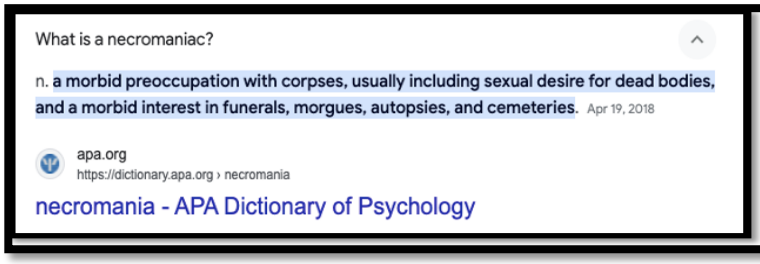
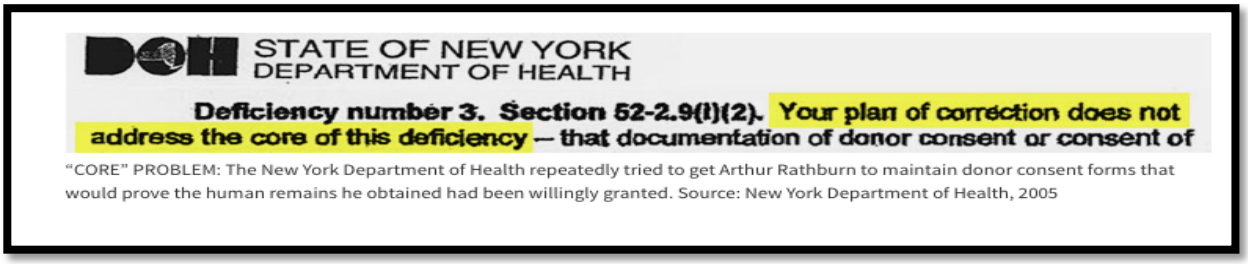
Schools do not and are not allowed to invest in human body parts. Hence, they are not called Human Capital offices. Body broker and necromaniac Adam Urbanski's, RCSD Human Capital, human trafficking and human sacrifice killing programming office, must be shut down. It is a criminal masterminded satanic killing wealth plan office.

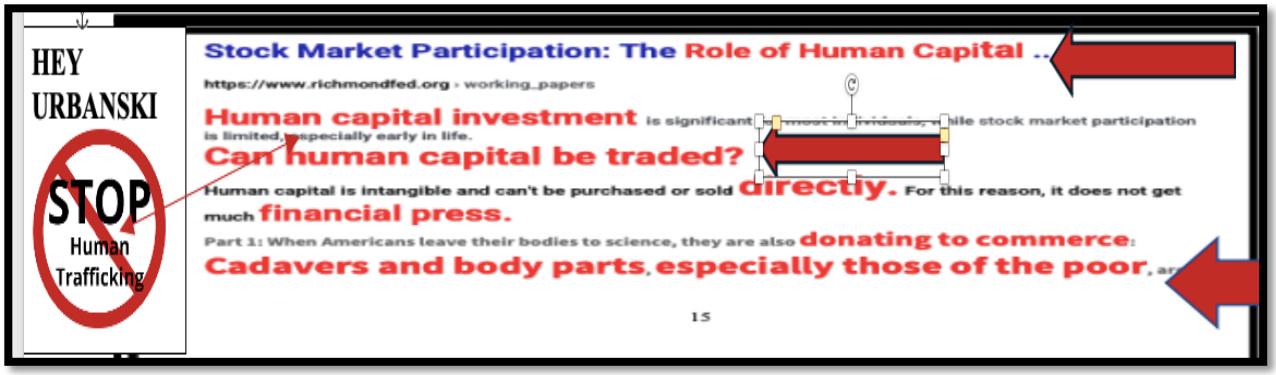




Adam Urbanski's RCSD Human Capital office is his human trafficking, human remains sales, whole body investments, live organ sales, human capital investments, eugenics, human sacrifice programming, population control, infectious disease injection stalking, and forced sterilizations, office, criminally using his satanic cult's human sacrifice counterfeit laws such as Title X, IX, and donor consent form, delusions of law.

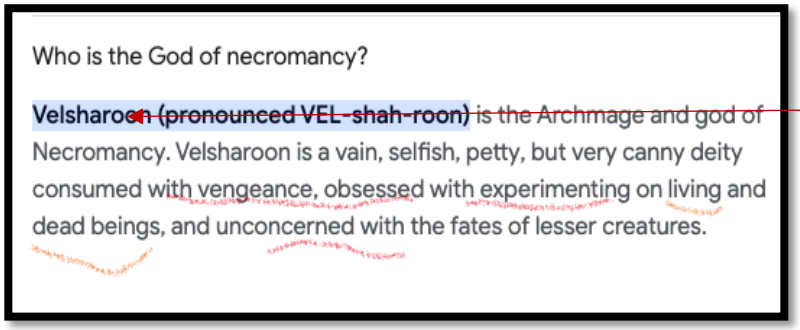
See the reference section and the below two counterfeit laws, authorizing satanists, sexual perversions with live and dead children and adult bodies if they have an unconscionable contracted consent form. These fraudulent laws serve no other purpose but to advance regional killer Adam Urbanski's deadly induce hospitalize, label dead, while alive hospital fix up, killer Urbanski retrieving the live body from the burial site and bringing such to his unsupervised body broker rape live and dead bodies entity. Thereafter, he is human trafficking some of the children and first raping his blood draining innocent blood children, for adrenochrome blood draining. This regional killer got two counterfeit laws created so he can rape, human traffic and human sacrifice kill, healthy and innocent children and adults. Something is wrong.





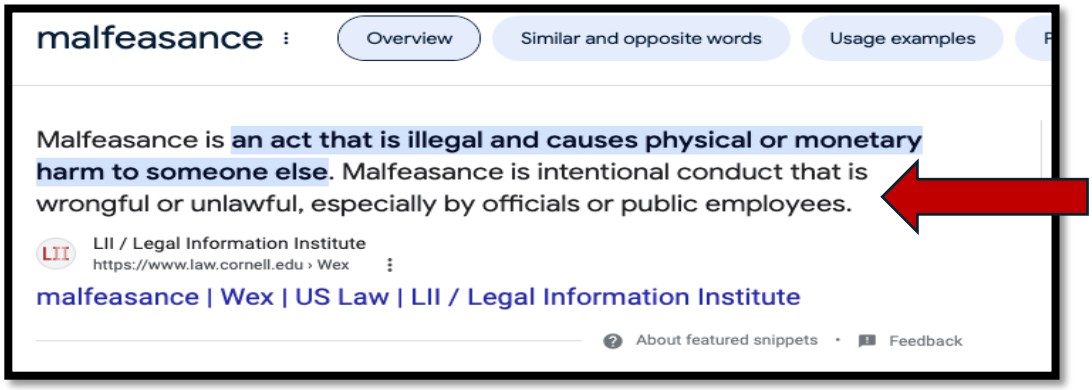
In summary, based on my over 30 years of being criminally attempted murdered by regional killer Adam Urbanski, I can say Adam Urbanski has everything in place for his criminal senile children and adult induce hospitalization body snatching and kidnapping. He is getting ready to escalate his poison, infest, harm, induce hospitalize, and place his prepaid label dead, while alive funeral fixer upper.

He is preparing for his plotted, repulsive live body exhumes, for some to be human trafficked and others to be human sacrifice killed, for his satanic ritual oath requirements for money. Some of his poisoned and induced hospitalized innocent blood children he is dreaming of raping them for his needed adrenochrome blood draining. The below documented necromancy demon has obsessed killer Adam Urbanski with experimentation, torture, innocent blood draining's, human trafficking, human sacrifice killing, torture to death, infectious disease injections, raping's, sterilization injections, voyeurism, bestiality, loss of conscience, and more, all for money, he can not take with him when he dies.



Killer Urbanski's criminal concoction of his Human Capital killing office and his two above counterfeit laws, authorizing his sexual perversions as long as he gets his Human Capital ready, live and dead body donor consent forms, exemplify the need to shut his human capital office concoction down and to destroy his two above noted counterfeit laws advancing children and adult, repulsive exhumes, bodysnatching, raping, sexual perversions, human trafficking and human sacrifice satanic ritual killings.

This malfeasance RCSD mistakenly adopted, the Human Capital office, criminally controls personnel, medical and dental records. This is what false phenomenon of above the law, criminal senile, witch doctors do. They create criminal entities so their crimes and killings will fit right in, because the necrophilia RCSD Human Capital entity does not belong in the RCSD in the first place.



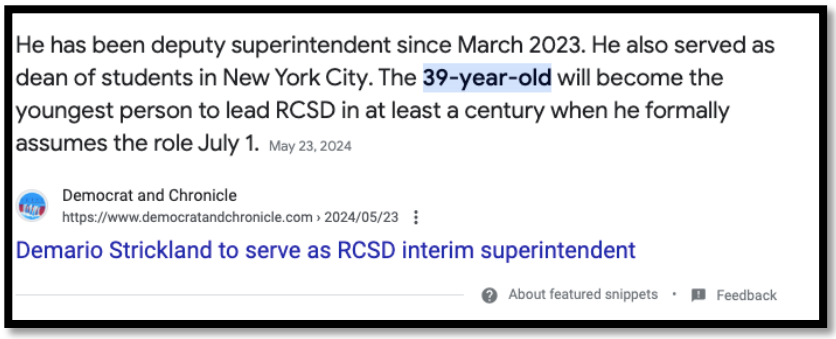
Exterminating, killer Urbanski's unauthorized Human Capital front, is the first step in breaking killer Adam Urbanski's RCSD student and staff killing oath/curse. Killer Urbanski did what desperate for money and criminal senile, witch doctors and warlocks do. They inflict curses from the start, that are rooted in lawlessness, criminality, and evil. Those are the satanic wealth plan reasons for planting the killer Adam Urbanski, no one is watching, unauthorized RCSD Human Capital office.

For the record note, again, human capital offices belong in body broker body chop shops, body parts, live organ sales, and whole-body criminal investment facilities, like the below mentioned. Human Capital offices do not belong and do not have any authority to be in schools with precious black and white students.

https://www.washingtonpost.com/nation/2019/11/20/arizona-human-chop-shop-sold-body-parts-experiments/

Finally, Human Capital concoctions, more specific, the RCSD Human Capital creation, tied to documented necromaniac RTA Union President Actor, Adam Urbanski, surely does not belong in a school system, where students have been poisoned previously, under a killer Urbanski qualified food worker entire staff pay off and disappearance phenomenon. Investigations are needed for accountability of such criminal RCSD student food poisoning programming and to assure such evil programming will not ever happen again. The killer Adam Urbanski RCSD Human Capital killing program office must be shut down for the reasons set forth above and on behalf of ending RCSD Adam Urbanski's human sacrifice killing programs for children and adults.

Rochester qualified and experienced ministers and educators are needed to work with killer Adam Urbanski's programmed, no experience, half Urbanski age, Urbanski deliberately selected, RCSD superintendent, to effectively retake the entire RCSD from regional killer Adam Urbanski's over 30 years of planted satanic occultism designed to kill, with specific envy intent to harm and injure inner city children.



He has been deputy superintendent since March 2023. He also served as dean of students in New York City. The 39-year-old will become the youngest person to lead RCSD in at least a century when he formally assumes the role July 1. May 23, 2024

Demario Strickland to serve as RCSD interim superintendent

I invoke the below scriptures for the immediate removal of 78-year-old, criminal senile, and killer Adam Urbanski from being near and or working with any RCSD children and or adults expeditiously. Further, I summon the below scriptures for the immediate destruction of killer Adam Urbanski's RCSD mistakenly accepted, Human Capital concoction. I pray for a Godly resurrection of a superintendent one hundred percent controlled, RCSD personnel office and budget. Finally, I pray for God's sovereign power to peacefully dismiss every killing, induce injury and or induce hospitalization curse and demon force, killer Urbanski planted in the RCSD. I pray for God's omniscient favor to overwhelm the RCSD in every aspect, effectively punching the devil in the eye. I decree and submit these prayers to the Most-High God in the reverenced name of his beloved human sacrificed blood shed son, Jesus Christ.

Psalms 59:2
Deliver me from the workers of iniquity. Save me from the bloodthirsty men.

Psalms 139:19

SUMMARY AND PRAYER

This is a RCSD student safety appeal article, decreeing God's divine intervention and usage of his creations, to stop, destroy, and remove off the Most-High God's earth, regional killer Adam Urbanski's: human sacrifice satanic ritual killings, children rape and innocent blood draining's for satanists blood thirst adrenochrome. God, we seek the stoppage of all human trafficking, emphasis on stopping it from the RCSD Human Capital necromancy demon summoned office, and remove off this earth, killer Adam Urbanski's, criminal senile repulsive exhume of his paid for label dead, while alive victims. Demise his raping's and sexual perversions inflicted on his hospital paid for criminally constructed undead creations. God, please stop the criminal use of the hospitals in crafting label dead, while alive creations.

Dear Most High God, in the name of Jesus, destroy all the satanic cult members unregulated, human sacrifice programming, counterfeit laws, emphasis on the destruction of their two above mentioned counterfeit live and dead, body donor laws and organized fraud donor consent forms. Please bring public attention to the need to destroy the NYS satanists counterfeit, unsigned, invisible signature, NYS witchcraft tax warrant. Please God stop the criminal use of the satanists NYS invisible signature Tax warrant witchcraft for unconstitutional, no authority and unauthorized good standing driver license suspensions. Stop these false and unauthorized good standing driver license suspensions from being used for criminal and deadly, no probable cause, stranger with guns bodysnatching, or police imposture and or rookie, good standing driver pitting, for the satanists programmed induce hospitalizations, label dead, while alive, unearthing, rape, torture human sacrifice satanic ritual killings and human trafficking.

Please almighty God, use your creations, to prosecute killer Adam Urbanski for continued obstructing the dignity of life and death, with his criminal antemortem muted mouth sexual perversions and torture to death necromancy demon summoned killings, seeking satanic wealth and power.

As well, I seek, the destruction of all body broker entities as such satanic hotels criminally serve as the place satanists criminally, rape and torture to death, the label dead, while alive victims.
